Weve Got Tonight
Ronan Keating

Intro:

B F# E E   (2x)

verse 1:

     B   **F#**
I know it's late, I know you're weary
     B   **E**
I know your plans, don t include me
      B   **F#**
Still here we are, both of us lonely
      B   **E**
Longing for shelter for all that we see
      B   **F#**
Why should we worry? No one will care, girl
     B   **E**
Look at the stars now so far away

Chorus:

     B   **E**
We ve got tonight, who needs tomorrow
     B   **F#**
We ve got tonight babe, why don t you stay

Verse 2:

     B   **F#**
Deep in my soul, I ve been so lonely,
    B   **E**
All of my hopes fading away
      B   **F#**
I ve longed for love, like everyone else does
      B   **E**
I know I ll keep searching after today
     B   **F#**
So there it is, girl we've got it all now
     B   **E**
And here we are, babe... what do you say

Repeat Chorus

Verse 3:

```
--------
            B                              F#
I know it s late, and I know youâ€™re weary
               B                     E
I know your plans, don t include me
               B                    F#                    E
Still here we are, both of us lonely, both of us lonely
             B
We ve got tonight,
               E
Who needs tomorrow
               B                    F#
Let s make it last, let s find a way
                B
Turn out the lights,
                F#
Come take my hand now

Repeat Chorus
-------------
```
