

Call My Name
Ronnie Day

Em

I know Life

C

And I know Love

G

But this is neither of them.

And you know Right from Wrong

Well, youâ€™ve done wrong,

But I will love again

Whether or not itâ€™s you.

Am

If itâ€™s easier to cry,

G

Then let go

Am

because you will see through tear soaked eyes

D

that I am here for you.

G

Iâ€™ll be reading your notes in vain
they are Novocain

C

Am

D

But lately I feel the same
So the picture frames are

G

Coming down for now

C

I am weak but I am proud

Am

G

D

And if you are ever lonely again
Just call my nameâ€|

Em

I know that you hate the way I work so long

G

I know you hate the way I wrote this song
I stayed up till the break of dawn

Em

But Love Is Not A Compromise

C

C

G

Itâ€™s something like the rising of the sun
Although youâ€™ve seen it a thousand times
You canâ€™t explain it

Am

If it's easier to cry,

G

Then let go

Am

because you will see through tear soaked eyes

D

that I am here for you.

G

I'll be reading your notes in vain
they are Novocain

C

Am

D

But lately I feel the same
So the picture frames are

G

Coming down for now

C

I am weak but I am proud

Am

G

D

And if you are ever lonely again
Just call my name

C

And I will sing for you

Em

A song so good you'll doubt I wrote it

C

And I will dance for you

G

I won't step on your toes

C

And I will laugh for you

Em

You'll have no choice-

D

you'll have to say "I need you"
But Till then
