

**Ever And After**  
**Ronnie Day**

ok so i decided to tab this because no one else had, and it s probably not even close to correct, but it sounds pretty good. i d really like to hear what yall think about it.

(on the Em, keep your index finger where it normally is on the C, it sounds better, and i m not sure what the chord is called.)

INTRO:

**C F G**

**C** **Em** **Am**  
I know that other guys don t need to feel rich  
**F G**

But i do, But i do.

**C** **Em** **Am**  
Thats why i chose to spend my life doin this  
**F G**

Cuz i knew, cuz i knew.

**C** **Am** **F** **G**  
We ve got something here that other people envy, other people fear.

Chorus:

**C** **Em**  
Make it a date tell me when and i ll say as sure as life will end  
**Am** **F** **G**

I ll love you ever and after, i ll love you ever and after

**C** **Em**  
Lets both run away, we ll find a place to live where we ll stay, and make a better way,

**Am** **F** **G**  
I ll love you ever and after, our love can make disaster fade away

**C F G**

**C** **Am**  
And if time tries to hurt you it just wont get to  
**F** **G**  
i will protect you keep you beautiful.

**C** **Am** **F** **G**  
Run away come with me Lets hurry leave quickly so we re still young  
**Am** **F** **Am** **F** **G**  
cuz we ve got something here, that other people envy other people fear

Chorus

**Am** **F** **G**  
Whoa baby you re ok without a place to go, well i dont know.

**Am** **F** **G**

I dont need these double standards all i need is you and i ll get through.

**F** **G** **Am** **F**  
Cause sitting here, without a cent i feel rich next to you

Soft Chorus
