D **Em**
I heard someone say the other day
C2
They d seen in me true love displayed
D **Em** **C2**
Blessed by something I had done for them

No sooner did they speak those words
I found myself somehow disturbed
Uneasy as I took their compliment

G **Em** **D**
Because I know the heart inside this man
C2 **Em** **D**
And I know the truth of who I am

A **E**
The only thing that s good in me is Jesus
F#m
The only thing that s good in me is Jesus
D **F#m** **A**
I ve lived long enough to know no matter what this life may show

The only thing that s good in me is Jesus

D **Em**
If you could walk the hallways of my heart
C2
And see things as they really are
D **Em** **C2**
I wonder if you might be surprised

D **Em**
Seeing faded walls of pride and fear
C2
Rooms I ve filled with faithless tears
D **Em** **C2**
And corners where I ve stood in compromise

D **C2** **Em**
Oh but you d see the work his grace has done

And you'd know just how far I've come

The only thing that's good in me is Jesus

And I look back on my life and see in perfect light

Yeah, yeah, the only thing that's good in me is Jesus

The only thing that's good in me is Jesus

I know me well enough to know yeah

The only thing that's good in me, yeah

The only thing that's good in me is Jesus

I know me well enough to know no matter what this life may show

The only thing that's good in me is Jesus, Jesus

It's you, it's you, it's you, only you

End on A.
