

Josephine
Ronnie Wood

Verse:

D

A fairytale, a storybook romance
Our eyes met and we began to dance
I saw a beach, I could hear the shore,
When all the time I m in a Woolworth store.

Chorus:

D G F C
Jo, Josephine, I make her hum, she makes me sing
Jo, Josephine, I make her moan, she makes me scream

Verse:

D

With just one touch, she makes the hardest wood soft,
My baby turns me on not off,
Sometimes, sometimes when you bring me down
Still I like having you around.

Chorus:

D G F C
Jo, Josephine, I make her hum, she makes me sing,
Jo, Josephine, I make you moan, you make me scream.

Bridge:

G F G C
When I m lost, I can t find her anywhere
G F C
I turn up my nose to sniff the air, Odor so sweet, I know that she s there.

Verse:

D

I don t need to run, I don t need to hide,
My Jo never leaves my side
Don t need no headache from no one night stand
I d rather use my baby s right hand.

Chorus:

D G F C
Jo, Josephine, you make me moan, you make me scream
Jo, Josephine, I make her hum she makes me sing
Jo, Josephine, I m the king, and your my queen,
Jo, Josephine, she s my love, you know what I mean.
