Roo Panes

Intro: **F# Bbm C# G#**

**F#** **Bbm**  
Dry eyes, roaring falls, god knows I ve travelled far,  
**G# C# F#**  
So far, but this is where it ends  
**F# Bbm G#**  
Found me, right about the time that I found? you, for once  
**C# F#**  
I was doing something right,  
**F# C# G#**  
Night fell, you asked,

Chorus:

**F# C# G# Bbm**  
Are you lost in paradise my love or have you found a home,  
**F# C# G#**  
It s an awfully lonely road to walk alone,  
**F# C# G# Eb Bbm**  
And as I searched your flashing indigo eyes? it echoed true, that  
**Bbm C# G#**  
I loved you...  
**Bbm C# G#**  
That I loved you...

**F#**  
Dawn woke, I knew that it was time  
**Bbm G# C# F#**  
For my return, but this time it would likely hurt as hell.  
**F#**  
Sometimes way across the ocean  
**Bbm G# C# F# G# C#**  
On a far away shore we both stand and we both call, both call

Brigde:

**F# C# G#**  
That if you give love and live love, then you ll never be alone  
**F# C# G#**  
If you give love and live love, then you ll always have a home  
**F# C# G#**  
That if you give love and live love, then you ll never be alone.  
**F# C# G#**  
If you give love and live love, then you ll always have a home

(**F# C# G# Bbm**)  
Aaaaaaaah

(F# C# G#)

Aaahh

Chorus:

Are you lost in paradise my love or have you found a home,  
It s an awfully lonely road to walk alone,  
And as I searched your flashing indigo eyes? it echoed true, that  
I loved you...  
That I loved you...

Chorus:

We were lost in the fields trading tales of home,  
But everyone knew that your gaze was my home  
We were lost in the fields trading tales of home,  
But everyone knew that your gaze was my home
