Intro: **E G#m B F#**

E **G#m**
Dry eyes, roaring falls, god knows I ve travelled far,
F# B E
So far, but this is where it ends
E **G#m F#**
Found me, right about the time that I found? you, for once
B E
I was doing something right,
E B F#
Night fell, you asked,

Chorus:

E B F# G#m
Are you lost in paradise my love or have you found a home,
E B F#
It s an awfully lonely road to walk alone,
E B F# C# G#m
And as I searched your flashing indigo eyes? it echoed true, that
G#m B F#
I loved you...
G#m B F#
That I loved you...

E
Dawn woke, I knew that it was time
G#m F# B E
For my return, but this time it would likely hurt as hell.
E
Sometimes way across the ocean
G#m F# B E F# B
On a far away shore we both stand and we both call, both call

Brigde:

E B F#
That if you give love and live love, then you ll never be alone
E B F#
If you give love and live love, then you ll always have a home
E B F#
That if you give love and live love, then you ll never be alone.
E B F#
If you give love and live love, then you ll always have a home

(**E B F# G#m**)
