Intro: **G Bm D A**

G **Bm**
Dry eyes, roaring falls, god knows I ve travelled far,
A D G
So far, but this is where it ends
G Bm A
Found me, right about the time that I found? you, for once

Night fell, you asked,

And as I searched your flashing indigo eyes? it echoed true, that
Bm D A
I loved you...
Bm D A
That I loved you...

G
Dawn woke, I knew that it was time
Bm A D G
For my return, but this time it would likely hurt as hell.
G
Sometimes way across the ocean
Bm A D G A D
On a far away shore we both stand and we both call, both call

Brigde:

G D A
That if you give love and live love, then you ll never be alone
G D A
If you give love and live love, then you ll always have a home
G D A
That if you give love and live love, then you ll never be alone.
G D A
If you give love and live love, then you ll always have a home
