

Am **F**
Flash back to those better days
C **G** **C**
I took flight to another world, met a girl
Am **F**
Bought her a drink and she asked my name
C **G**
I told her Kieran she said her s was Summer
Am **F**
9 days then she flew away
C **G** **C**
Next year ill be back again, to start again

Am **F** **C**
Sleeping in the sunshine, swimming naked in the moonlight, getting fucked out
G
of our minds on tequila

Am **F**
Chasing the summer
C
Never coming down
G **C**
Coz I want her back now

Am **F**
Chasing the summer
C
Til another comes round
G **C**
Oh I need to know how

Am **F**
We can start again it was something more than friends
C **G** **C**
Now I wish it hadn t ended,

Am **F**
Chasing the summer
C
Bring her back now
G **C**
Bring her back bring her back now

Am **F**
Bring it back now, bring it back now, bring it back
C **G**
Bring it back now bring it back

Am **F**
Bring it back now, bring it back now, bring it back
C **G**
Bring it back now bring it back
