G

I just woke up to 12 missed calls,

Cadd9

Lost my keys, got no clothes on,

G

What the hell did I do now?

Cadd9

The house is a mess, all my friends are all gone,

G

Someone s drew all over my face,

Cadd9

I don t recognise this place,

G

Got a love bite on my neck,

Cadd9

There s a naked girl lying in my bed, like,

G D Cadd9

I don t care what they say,

Imma do it anyway,

G D Cadd9

I m gonna do what I like,

Stay up all night, like,

G D Cadd9

And I don t care what they say,

Everybody s gonna know my name,

G D Cadd9

Before the morning light,

Stay up all night like this,

Back to G Cadd9 pattern

So I check my jeans, where s my wallet?

Bruise on me, wonder how I got it,

Tagged on Facebook who the hell took

This picture, I look like shhh...

Got a black eye, did I have a fight?

Wondering how I m still alive,

That girl over there, over there, over there,

She s giving me the eye, like,

G D Cadd9

I don t care what they say,
Imma do it anyway,
I m gonna do what I like,
Stay up all night, like,
And I don t care what they say,
Everybody s gonna know my name,
Before the morning light,
Stay up all night like this,
Stay up all night like this,

Am **F** **G**
It s so hard to find the words to say,
Am **F** **G**
How I feel when I see your face,
Am **F** **G**
I wanna tell you what you mean to me,
Am **F** **G**
But I can t say, I guess we ll never be,

Resume G Cadd9 pattern

One drink, two drink, three drink, four,
Then I m lying on the floor,
Five, six, seven, eight, nine, ten,
I wanna do it all again,
One drink, two drink, three drink, four,
Then I m knocking at your door,
Five, six, seven, eight, nine, ten,
Then I m lying on your bed!

I don t care what they say,
Imma do it anyway,
I m gonna do what I like,

I don t care what they say,
Imma do it anyway,
I m gonna do what I like,
Stay up all night, like,
And I don t care what they say,
Everybody s gonna know my name,
Before the morning light,
Stay up all night like this,

Saying I don t care what they say,
Imma do it anyway,
I m gonna do what I like,
Stay up all night, like,
And I don t care what they say,
Everybody s gonna know my name,
Before the morning light
Stay up all night like this,
