Chorus:

Am7 D9 Bm7 E9 Am7 D9 Bm7 E9

Verse 2: same chords as verse 1

The palace with the white walls
With the shades of daylight
Where I was a burglar of my own happiness
Where I felt like an oversized partydress

Oh you know that raising my voice
Wouldnt be my choice
My words wonâ€™t beat you up, no
Theyâ€™ll only describe the whipped cream on top

Chorus: same chords

I remember running around in the greenest grass
Chasing each other laughing in a late summer light
With every step I had the feeling that life had just begun
life had just begun
Gmaj7 C
life had just begun
Bbdim7 Bm7 C#7#9
life had just begun

Solo: same chords as verse

Chorus: same chords

I remember running around in the greenest grass
Chasing each other laughing in a late summer light
With every step I had the feeling that life had just begun
life had just begun
Gmaj7 C
life had just begun
Bbdim7 Bm7 C#+7 (!)
life had just begun

Note: In the chorus you can add a D#9 after the D9.
I think Room Eleven does that too in the live version.
I m not quite sure if they do it too on the studio record.
