Staring At The Sun Rooster

Rooster have had a hit with their debut release come get some this is their second song to be released in january from their forthcoming album..

Verse 1

D A C G Daylight on my shoulder, makes me feel alive

D A C G You had me standing in your shadow, and its a cold cold place to hide

BRIDGE

em G I m running away from this messed up place

em C(C only sound goog acousticly...) I m breaking free yeah yeah

CHORUS D A I m tired of staring at the sun

C can t stand the way you burn my eyes so i can t see

G stealing every breath i breathe

D A you push me into overdrive but i don t need this kind of high coz now im done

 $$\ensuremath{\mathsf{G}}$$ D you took everything while i was staring at the sun

same pattern for 2nd verse n chorus.....
