Never Knew You - Rootjoose  
Crowe/Elton/Collier

[Verse]

**D / Dsus4**                    **A**                    **G**                    **D / Dsus4**    **A G**  
I see your reflection in the double glazing

**D / Dsus4**                    **A G**                    **D / Dsus4**    **A G**  
I see you separated like two different souls

**D / Dsus4**                    **A**                    **G**                    **D / Dsus4**    **A G**  
I see you both stand in the bedroom here beside me

**D / Dsus4**                    **A**                    **G**                    **D / Dsus4**    **A G**  
I see you looking like a stray in borrowed clothes

[Bridge]

**G**                    **Em7**                    **Asus4**  
Look at me with my fucked up Doctor Martens

**G**                    **Em7**                    **Asus4**  
Look at me with smoke in my eyes

**G**                    **Asus4**                    **Bm**  
Look at me with my sentimental bullshit

**C9**    **G**    **Em7**    **Asus4**  
You know I never wanted to say

[Chorus]

**D / Dsus4**                    **A**                    **G**  
I feel as if I never knew you

**D / Dsus4**                    **A**                    **G**  
I wish I wasn t talking through you at all

**D / Dsus4**                    **A**                    **G**  
I feel as if I never knew you

**C/G**                    **G**    **Asus4** **D / Dsus4**  
Feel as if I never knew

[Verse]

**D / Dsus4**                    **A**                    **G**                    **D / Dsus4**    **A G**  
I m weak when I think of how confusing it became

**D / Dsus4**                    **A**                    **G**                    **D / Dsus4**    **A G**  
I cry when I realise I ve got myself to blame

**D / Dsus4**                    **A**                    **G**                    **D / Dsus4**    **A G**  
I know we weren t exactly John and Yoko

**D / Dsus4**                    **A**                    **G**                    **D / Dsus4**    **A G**  
But I still see your face in the sink when I clean my teeth

[Bridge]

**G**                    **Em7**                    **Asus4**  
Look at me with my brand new pair of boots on

**G**                    **Em7**                    **Asus4**

Look at me with needles in my eyes

**G** **Asus4** **Bm**

Look at me with my PMA bullshit

**C9** **G** **Em7** **Asus4**

You know I never wanted to say

[Chorus]

**D / Dsus4** **A** **G**

I feel as if I never knew you

**D / Dsus4** **A** **G**

I wish I wasn't talking through you at all

**D / Dsus4** **A** **G**

I feel as if I never knew you

**C/G** **G** **Asus4** **D / Dsus4**

Feel as if I never knew
