Vers:

G **H7**
I don t know where I m going,
E7 **Am**
I don t know where I ve been,
G **D**
Cause I haven t seen my baby,
G **D**
since I don t know when.

I m walking down that long road,
With a smile upon my face.
I m broken hearted,
But you won t see a trace.

Feeling disconnected,
These blues are out to kill.
Sweep them in the corner,
Put em in the bin.

E **A7** **F#7** **Hm**
All right so you don t sympathise,
E **A7** **D** (**Dsus4** -D)
Don t expect that you should.
E **A7** **F#7** **Hm**
Walk right for one day you might,
E **A7** **D**
Run into this patch of grey clouds too.

E **A7** **F#7** **Hm**
All right so you don t sympathise,
E **A7** **D** (**Dsus4**- D)
I don t expect that you should.
E **A7** **F#7** **Hm**
Stay bright for one day you might,
E **A7** **D**
Run into this patch of grey clouds too.

I got gravel in my pockets,
From the places I have been,
The soles of my shoes are paper thin.

I got sand here in my pockets.
From the town that I come from.
That s where I m going,
So I ll say so long...yeah.

Haven fun with this wonderful Gallagher tune :)
