

[Verse]

**G** **C/G** **G** **C/G** **G**

I gave you what you wanted

**C**

And it took so many years

**D**

Now I m just a part of

**C**

The traffic and the tears

**G** **C/G** **G** **C/G** **G**

I am not a lighthouse

**C**

Not the answer or the truth

**D**

But the love that I held onto

**C**

Is safe inside this room

[Chorus]

**Am** **Em7** **D**

Now the candles burn all night

**Em**

Without you

**Am** **Em7** **D**

And the moon hangs out of sight

**C**

So blue

**Em7** **Cadd9**

On Seventh Avenue

[Interlude]

[Chorus]

**Am** **Em7** **D**

Now the candles burn all night

**Em**

Without you

**Am** **Em7** **D**

And the moon hangs out of sight

**C**

So blue

**Em7** **Cadd9**

On Seventh Avenue

[Slow fade-out]
