Here is one of the requested songs by Rosanne. These are words and chords only
Tennessee Flat Top Box
Rosanne Cash
Key of A/D (the turnaround modulates)
Key of B/E (if capo d 2 frets like the record)
         D / / A / / /
intro
         In a little cabaret in a South Texas border town
verse1
         Sat a boy and his guitar and the people came from all around
          (E) (F#)(Ab) A
         And all the girls from there to Austin
         Were slippin way from home and puttin jewelry in hock
          (E)(F#) (Ab) A
         To take the trip, to go and listen
         To the little dark-haired boy who played the Tennessee flat top box
          (A)(B) (Db) D
         And he would play
```

verse2

Well, he couldn t ride or wrangle, and he never cared to make a dime But give him his guitar, and he d be happy all the time And all the girls from nine to ninety
Were snapping fingers, tapping toes, and begging him don t stop And hypnotized and fascinated
By the little dark-haired boy who played the Tennessee flat top box And he would play

turnaround

verse3

Then one day he was gone, and no one ever saw him round
He vanished like the breeze, they forgot him in the little town
But all the girls still dreamed about him
And hung around the cabaret until the doors were locked
And then one day on the Hit Parade
Was a little dark-haired boy who played the Tennessee flat top box
And he would play

turnaround finis
