Cest Lamour Rosi Golan I ve noticed that people (including myself) have been trying to look for the chords of sweet little song. I haven t got it 100% as this is the first time I ve tried figuring chords out by ear any song. It s tonality is E major so any suggestions of the missing chords/feedback would be much appreciated! (4/4 time signature) Intro - E B A E B Verse \mathbf{E} в Α в I felt it in my heart, that it was time, a change of scenery Е в Α Е в To get a little lost, to feel alive, and reach beyond me Α в I walked into the first café in France I'm so clichéâ€|. Chorus Е When I saw him I felt the room divide into pieces в А Oh the lights danced around us just like stars in the sky Е One night in Paris with a man I barely knew, I'm lost in a moment А в Е C est La vie, C est La chance, C est L amour Verse It happened all too fast, the perfect night, for perfect strangers The way he wrapped the curls of his mustache around his fingers Prechorus And like a little girl who's never been to Disneylandâ€| Chorus

When I saw him I felt the room divide into pieces Oh the lights danced around us just like stars in the sky One night in Paris with a man I barely knew, I'm lost in a moment C est La vie, C est La chance, C est L amour

Bridge

And when I think I about him, I wish I had it all, to do again because $\hat{e} \in [$

A B
I Wanna be just like Mary so let them eat their cake

Chorus When I saw him I felt the room divide into pieces Oh the lights danced around us just like stars in the sky One night in Paris with a man I barely knew, I'm lost in a moment C est La vie, C est La chance, C est L amour
