

**Shine**  
**Rosi Golan**

As usual, looking for tab that wasn't there. Just went after the basic chords, think should be pretty close. Probably more to it, but nice to start off with. Capo on 3d! Have fun.

Intro: **C-G-Em-F**

Verse:

**C**                    **G**  
This life is light,  
**Em**                    **F**  
Its light burns bright  
                  **C**                    **G**                    **F**  
So we'll take it day by day, and let it be

**C**                    **G**  
And everyone will see,  
**Em**                    **F**  
how good it feels  
                  **C**                    **G**                    **F**  
Oh they'll see the world for all that it could be

Chorus:

**Am**            **C**            **G**  
Oh, let the sunshine in  
          **Am**            **C**            **G**  
I wanna feel it from within  
                  **F**            **C**            **G**                    **F-C-G**  
You spin me around and make me feel like I could shine  
**F-C-G**  
Shine

Verse:

**C**                    **G**  
So what do you say,  
**Em**                    **F**  
if the sky turned grey?  
                  **C**                    **G**                    **F**  
With a kiss you send the rain clouds on their way

Chorus:

**Am**            **C**            **G**  
Oh, let the sunshine in  
          **Am**            **C**            **G**

I wanna feel it from within

**F C G F-C-G**

You spin me around and make me feel like I could shine

**F-C-G**

Shine

**F-C-G**

Shine

Bridge:

**Am-C-G**

Da-da-da-da-da-daaw

Verse:

**C G**

This life is light,

**Em F**

Its light burns bright

**C G F**

Every moment is a moment you could say,

Chorus:

**Am C G**

Oh, let the sunshine in

**Am C G**

I wanna feel it from within

**F C G F-C-G**

You spin me around and make me feel like I could shine

**F-C-G**

Shine

Repeat chorus till end
