

G **F** **C**
Saving face and picking up the slack
G **F** **C**
Chopping down more wood than you could stack
F **G** **C**
I just hope that life agrees

[Solo]

[Verse 3]

C **E** **Am** **G**
C
Continuin on, no Iâ€™m turning back, no point now since time has passed, and I
ainâ€™t going back to how it used to be
C **E** **Am**
G **C**
The pathâ€™s been lit, a dimly glow, turns in sight well I donâ€™t know, Iâ€™ll
take the path where it has taken me
C **E** **Am** **G**
C
Forward facing, to the front, future plans and thirst for the hunt, close my
eyes and then I start to see

[Chorus]

F **G** **C** **Am**
I know what I believe to be my lifeâ€™s guarantee
F **G** **C** **Am**
I know where I plan to go, but Iâ€™ll just have to see
F **G** **C**
I just hope that life agrees

[Chorus]

F **G** **C** **Am**
I know what I believe to be my lifeâ€™s guarantee
F **G** **C** **Am**
I know where I plan to go, but Iâ€™ll just have to see
F **G** **C**
I just hope that life agrees
