

Ghosts

Ross Ellis

[Intro]

D **D/F#** **G**

[Verse]

D

I m pretty simple

D

Down the middle

G

Tryin to keep both feet on the ground

D

Coincidences

D

Superstitions

G

Were never things I thought about

D

I ve got a level head

D/F#

I ain t afraid of the dark

G

So here s the crazy part

[Chorus]

D

D/F#

Sometimes my truck starts taking your exit

G

Feels like I m gonna wreck it, if I don t catch it

D

D/F#

Sometimes my phone starts dialin your number

G

In the middle of the night, I feel you under my covers

D

I don t believe in lies

D/F#

Things that go bump in the night

G

Tall tales or UFO s

G

But I believe in ghosts

[Verse]

D

One ended

D

Conversations

G

Standing around talkin to myself

D

Funny feelins

D

Seein visions

G

Wonder if I need some help

D

D/F#

Am I the only one that hears your voice on the wind

G

Every now and then, now and then

[Chorus]

D

D/F#

Sometimes my truck starts taking your exit

G

Feels like I m gonna wreck it, if I don t catch it

D

D/F#

Sometimes my phone starts dialin your number

G

In the middle of the night, I feel you under my covers

D

I don t believe in lies

D/F#

Things that go bump in the night

G

Tall tales or UFO s

G

But I believe in ghosts.

D

Em

This lonely heart is like a haunted house

D

Em

Even though your gone, you re still all around

[Chorus]

D

D/F#

Sometimes my truck starts taking your exit

G

Feels like I m gonna wreck it

G

Gonna wreck it

G

Gonna wreck it

D

D/F#

Sometimes my phone starts dialin your number

G

In the middle of the night, feel you under my covers

D

I don t believe in lies

D/F#

Things that go bump in the night

G

Tall tales or UFO s

G

But I believe in ghosts

D D/F# G

I believe in ghosts, oh whoa!

G

I believe

G

I believe

G

I believe, I, yeah!...
