

**The Butterfly Song**

**Ross Lynch**

Ally s Butterfly Song from Austin and Ally.

**C**                    **F**            **G**  
I m a little butterfly  
**C**                                    **F**    **G**  
Spread my colorful wings  
**C**                                    **F**                    **G**  
Even though I m small and frail  
**C**                                    **F**            **G**  
I can do most anything  
**Am**                    **F**            **G**  
Caterpillar in my cocoon  
**F**  
I m gonna be a butterfly soon

**C**                    **F**            **G**  
I m a little butterfly  
**C**                                    **F**    **G**  
I can soar through the sky  
**C**                                    **F**            **G**  
So glad I ended up like this  
**C**                                    **F**            **G**  
Thanks to metamorphosis  
**C**    **F**                    **G**        **C**  
                  I m a butterfly  
**F**                                    **G**        **C**  
                  I m a butterfly, yeah  
  
**F**                                    **G**        **C**  
                  I m a butterfly
