Intro: **C#m   B   C#m   B**

C#m
Every thinkin how I got in this place
B
All this drinking has left me a sour taste
C#m
And my old flame is lying right next to me
B
Like the goodness but now that it s history
C#m
Ooh didn t guess the scene for tonight
                B
With you edging in closer, your hands on my side
            C#m
I ll stay true to my wit

That s the least you deserve
  B
From the one that broke your heart

E   **A**   **G#**
Why are you doing this to yourself
        E
Cause tonight will end in tears
          A   **G#**
You ll be to blame with no one else

F#m   **C#m**   **B**
No going back on this one
                          F#m
The choice I made for life
              C#m   **B**
Cause all the hurt that s been done
  E   **G#**
So many reasons why
F#m   **C#m**
I don t what to make of this
B
And I hoped you d be over it by now
F#m   **C#m**   **B**
No going back on this one
E   **G#**
Cause the hurt s been done

(**C#m   B   C#m   B**)

C#m
Oh and I feel the pressure as you draw closer to me
B
with my dress up, and with you stroking my feet
C#m
I caught a glimpse of, how good this all could have been
B
But then I woke up and said This ain t happening

E   **A**   **G#**
Why are you doing this to me?
          E   **A**   **G#**
Yes I ve tried, and failed you twice, rejected love that s like a knife

Refrão:
C#m
Ends right here, have no more thought about it
B
This my dear, we ll no longer talk about it
C#m   **B**
Yes it s clear, it s just the way that we roll

Yes we roll

F#m   **C#m**   **B**
No going back on this one
                                  F#m
The choice I made for life
            C#m   **B**
Cause all the hurt that s been done
 E   **G#**
So many reasons why
F#m   **C#m**
I don t what to make of this
B   **F#m** **C#m** **B**
And I hoped you d be over it by now
F#m   **C#m**   **B**
No going back on this one
F#m   **C#m**   **B**
No going back on this one
                                  F#m
The choice I made for life
E   **G#**
Cause all the hurt that s been done

(**C#m**)
