

## Real

Roxanne Emery

Capo 7 - Standard Tuning

I think these are the correct chords. I had a tough time figuring out the chords to the bridge towards the end, suggestions for that are welcome. :)

Intro: **G**

Verse 1:

**G** **D**  
Here I am, looking up from a long way down

Take my hand, you're the part of me I won't hide

Chorus:

**G** **D**  
If we let go now, would we fall down?  
**Em** **C**
