Dm
The reapwork is done
Bb
You are the one
Gm **C7**
The radio is on but sound is all gone
Dm **Bb**
And I wanna walk out in the sun
C **C7** **F C**
But lately that s been very hard to do

Dm **C** **Bb Dm**
I ve got a thing about you
Gm **C7** **F C**

Gm
my heart like a stone

Dm **Bb**
Oh I can t make it on my own
Am **Gm7**
And I ll never stop believing

I know what is right and this is so wrong
Alone in my bed, better off on my own
The TV is on but the colours are gone
And lately you've been painting my world blue

I've got a thing about you
(I've got a thing about you)
And I don't really care what you do
I've got a thing about you
(I've got a thing about you)
Hey you

I've got a thing about you
I've got a thing about you-ou-ou-ou
Lately you've been painting my world blue

I've got a thing about you
(I've got a thing about you)
And I don't really know what to do
I've got a thing about you
Hoping this story cuts through
(this story cuts through)
Yea, I've got a thing about you
A thing about you

I've got a thing about you...
I've got a thing about you...
And I don't really know what to do
