Roxette

(Words & music by Per Gessle)

G **D**
can t we leave the world outside
 C **D**
just for a while? just for a while?
 G **D**
and spend some time, you and i,
 C **D**
under this bright glorious sky.

Em **D**
it s been so long since i first saw you,
 Am **C** **Dsus4**
but i still love that smile in your eyes.

D **G C** **D**
yes it s true, right from the start,
 C **D**
i believed in the church of your heart.
 G **C** **D**
yes it s you that made me be part of
 C **D**
and believe in the church of your heart.

step inside, lay yourself down
just for a while, rest for a while.
i can hear a thundering sound
beating inside when you re around.

it s been so long since i first met you,
since we made love, you know how time flies.

yes it s true, right from the start,
i believed in the church of your heart.
yes it s you that made me be part of
and believe in the church of your heart.
in the church of your heart.
