Roxette

(Words & music by Per Gessle)

**G**                  **D**  
can t we leave the world outside  
          **C**                  **D**  
just for a while? just for a while?  
          **G**                  **D**  
and spend some time, you and i,  
          **C**                  **D**  
under this bright glorious sky.

**Em**                  **D**  
it s been so long since i first saw you,  
          **Am**          **C**                  **Dsus4**  
but i still love that smile in your eyes.

**D**          **G C**                  **D**  
yes it s true, right from the start,  
          **C**                  **D**  
i believed in the church of your heart.  
          **G C**                  **D**  
yes it s you that made me be part of  
          **C**                  **D**  
and believe in the church of your heart.

step inside, lay yourself down  
just for a while, rest for a while.  
i can hear a thundering sound  
beating inside when you re around.

it s been so long since i first met you,  
since we made love, you know how time flies.

yes it s true, right from the start,  
i believed in the church of your heart.  
yes it s you that made me be part of  
and believe in the church of your heart.  
in the church of your heart.
