

Cry
Roxette

D G D
Living here without you is not an easy way of life.
G D
I spend my time without you, I try to make it all worthwhile.
G D
Standing in a rainfall coming down from the sky.

C G D
Why should I cry over you?
C G D
Why should I cry cry cry over you?

I keep on thinking about you. I ve got no private pride to hide.
I ve built my world around you like a call without reply.
My love has lost direction, she s got the sun in her eyes.

Why should I cry...

Bb C D
Hearing your footsteps, loud on my stairs (a-walking...)
Bb
- living without you.
C D
Feeling the sweet sweet smell of love in the air (I can feel it...)
Bb
- living without you.
C D
Kissing the face that I see everywhere
G C A7sus4
but I m living without you, I'm living without.
F C G
Cry, cry, cry, over you...
