**D A D**  
In a time where the sun descends alone  
**F C D**  
I ran a long long way from home  
**A G**  
To find a heart that s made out of stone  
**D A D**  
I will try, I just need a little time  
**F C D**  
To get your face right out of my mind  
**A G**  
To see the world through different eyes...

[Chorus]

**F B D C**  
Every time I see you oh I try to hide away  
**F B C F**  
But when we meet it seems I can t let go  
**F B D C B**  
Every time you leave the room I feel I m fading like a flower

[Verse 2]

**D A D**  
Tell me why, when I scream there s no reply  
**F C D**  
When I reach out there s nothing to find  
**A G**  
When I sleep I break down and cry... cry...yeah...

Talking to myself, getting washed by the rain,  
**D**

it s such a cold cold town
