I Could Never Give You Up Roxette Em C G D Em CG D Em C I ve been hiding, lost in the love of another. Em C Am D I ve followed the moon and a song G D Em C and I thought it would take me forever Am D G to find a place where I belong.

D G D I watch a rainbow rise. I give you all I ve got.

EmCGDEmCCGEmI could never give you up, the way you make my love shine.I could never give you up, the way you make true love shine.

I believe you when you say you don t want to be lonely. I ll carry your heart like a bridge when you need all the time you can find to get the hurt out of your mind.

I ll watch the rain go by and give you all I ve got.

Cause I could never give you up...

Chorus after intrumental: F#m D A E (repeat and fade)
