

Love Spins  
Roxette

Intr: **Em D Em D**

**Em** **D**  
Hold back the night. I wonder what she s doing when she s not in sight.

**Em**  
I wonder where she s going, who she holds tonight.

**D**  
I wonder if she s sleeping alone.

**Em** **D**  
And hold back the day. I cover up the teardrops in the falling rain,

**Em**  
my heart has been run over by your runaway train.

**D**  
I wonder if she s ever alone /

**Am D Em**  
Let it go, let it go, let it go.

**G C G**  
Her love spins like a merry-go-round,  
**G C G**  
going up and down, she s faraway bound.

**G C G**  
Her love, expression of vision and sound,  
**G C D**  
setting me up and then it s kicking me down

**Em D**  
Don t fade to grey. I wonder if she s ever coming back to stay.

**Em**  
She s running on the edge, she hid the heart away.

**D**  
I wonder if she s only a dream.

**Em D**  
So hold back the night. I wonder what she s doing when she s not in sight.

**Em**  
I wonder where she s going, who she holds tonight.

**D**  
I wonder if she s lost in a dream.

**Am D Em**  
Let it go, let it go, let it go.

**G C G**  
Her love spins like a merry-go-round,  
**G C G**  
going up and down, she s faraway bound.
