

Pearls of Passion
Roxette

Words & Music: Per Gessle/
B| - Side to the ?soul deep? - Single
Into.: **D - G - A** / 2x

D **G**
There was a banquet of believers
A **D**
When we walked into the room
Bm **A**
December days of x-mas
G **A**
Felt like days in June
Bm
And there were morning light
Bbm **A** **G**
And sunrise chimes echoed all around
D **A**
Now?s the time for weary minds,
G **Bm**
The moon is northern bound
D
And you know I?m going back
G
Going back today
(Back to where I came from)
D
And you know I?m going back
F#m **Bm**
Going back to stay
A
To the alleys where pearls of passion came my way (**D- G - A**)
D **G**
There?s a promise in the twilight
A **D**
It?s so innocent and wild
Bm **A**
Two hearts that break the silence,
G **A**
You can hear a distant cry
Bm **Bbm**
And there?s emptiness and loneliness,
A **G**
It?s more or less the same
D **A**
Let?s run between the raindrops,
G **Bm**
Babe and catch the midnight train.
