

Run To You
Roxette

Intro:

G C E D
G C G D
G C E D A

Bm **A** **G**
Baby, sometimes I feel like dying
G **A** **Bm**
Driving while I m closing my eyes
Bm **A** **G**
Moving in and out of hiding
G **A** **Bm**
Trying to catch some truth in my life
Em **D** **C**
watching your stars and your moonlight
Em **D** **C**
come tumbling down from the sky...

Take it now.

Chorus:

G **C**
I m gonna run to you
E **D**
I m gonna come to you
G **C**
I wanna find you
G **D**
In everything that I do
G **C**
I m gonna run to you
E **D**
I m gonna count on you
G **C**
I m gonna follow
G **D** **Bm**
Baby what else can I do?

Second verse (same chords as first):

Sunday morning my town is sleeping,
lying all alone in my bed.
There s not a sound, I can t help but listening,
wishing I was somewhere else instead
but sometimes they re to hard to handle,
