So Far Away Roxette

D.
In the coldest time of year
Bm
darkness all around my heart.
I was alone but didn t fear Bm G
to wander in the light of stars.
In the bright and silent night,
winds would knock and disappear.
Still I felt the feeling near, G A
like the first time you were ever here
D A
You re so far away, so far away,
$\begin{array}{c} \textbf{Bm} \\ \text{you left me, you told me you would stay.} \\ \textbf{G} \end{array}$
You never said goodbye Gm D
and I ll keep wondering why,
A
I keep on wondering how,
Bm A
oh come unto me now
D
I have breathed the morning air, Bm
I have heard the four winds blow. ${\tt D}$
I was weary but prepared Bm G
to follow down this lonely road. ${\bf D}$
In the room where lovers sleep,
winds would knock and disappear. $ \mathbf{F} \!\!\!\! \! \! \! \! \! \! \! \! \! \! \! \! \! \! \! \! $
Still I felt the music near,
G A like the first time we were ever here
