G

Hey you

I pick up the phone,

I m dialing that number

And my heart like a stone

Waits for the tone

Oh I can t make it on my own

And I ll never stop believing?

I know what is right and this is so wrong

Alone in my bed, better off on my own

The TV is on but the colors are gone

And lately you've been painting my world blue

I ve got a thing about you
(I ve got a thing about you)
And I don t really care what you do
I ve got a thing about you
(I ve got a thing about you)
Yeah, you

I ve got a thing about you
I ve got a thing about you

Lately you ve been painting my world blue

I ve got a thing about you
(I ve got a thing about you)
And I don t really know what to do
I ve got a thing about you
Hoping this story cuts through
(this story cuts through)
Yeah, I ve got a thing about you
A thing about you

I ve got a thing about you
I ve got a thing about you
And I don t really know what to do

I ve got a thing about you? (fade out)
