Words & Music by Per Gessle

[Verse 1]

**E** **G#m**  
Everywhere I look I see her smile

**A**  
Her absent-minded eyes

**F#m** **E**  
And she has kept me wondering for so long

**B**  
How this thing could go wrong

**E** **G#m**  
It seems to me that we are both the same

**A**  
Playing the same game

**F#m** **E**  
But as darkness falls this true love falls apart

**C#**  
Into a riddle of her heart

[Chorus]

**F#** **F#\*** **B** **C#**  
She s so vulnerable, like china in my hands

**F#** **F#\*** **B** **C#**  
She s so vulnerable and I don t understand

**F#** **F#\*** **B**  
I could never hurt the one I love

**C#**  
She s all I ve got

**F#** **C#**  
But she s so vulnerable

**F#**  
Oh so vulnerable

[Verse 2]

Days like these no one should be alone  
No heart should hide away  
Her touch is gently conquering my mind  
There s nothing words can say

She s coloured all the secrets of my soul  
I ve whispered all my dreams

But just as nighttime falls this vision falls apart  
Into a riddle of her heart

[Chorus]

She s so vulnerable ...

Note:

|   | <b>F#</b> | <b>F#*</b> |
|---|-----------|------------|
| e | 5         | 5          |
| B | 6         | 5          |
| G | 5         | 5          |
| D | 4         | 4          |
| A | 4         | 4          |
| E | x         | x          |

I don t know how to name the F#\* chord (if you know it, please feel  
free to e-mail me)

If you use a capo on 4th fret (it s the best way how to play it),  
you can play **E** like **C**, **G#m** like **Em**, **A** like **F**, **F#m** like **Dm**, **B** like **G**,  
**C#** like **A** and **F#** like **D**.
