Bbm
You stepped out of a silver van
Driven by a rainbow man

You said your name was Mary Anne
The coolest plan you had at hand
F#
A rose among the garbage cans
Ab
Looking grand and slightly tanned
Bbm
Your hair was dancing to the jam
A February marching band

Bbm
You can t do this to me anymore
F# Ab Bbm
You can t do this to me anymore

Bbm
Looking for that saving grace
I find you tricky to erase
Bbm
Don t know what I see in space
It might well be a hiding place
F#
I can t stay in, I won t get out
Ab
Every notion seems to shout
Bbm
Running blind into the chase
No chance I will forget your face
