But you left me alone
A F#m A E
You can t put your arms around what s already gone
F#m D
Watch you sink like a stone
A F#m A E
You can t put your arms around what s already gone

A G D
Well, you hurt to the core
A G D
You used to kiss like no one had done before
A G D
And your taste turned me on
A G D
Now you drive me real crazy just by being born
F#m D

Where everyone tells you to have a nice day
