Oh I was moved by your screen dream  
**G** **C**  
Celluloid pictures of living  
**A** **C** **E**  
Your death could not kill my love for you  
**G** **C**  
Take two people romantic  
**G** **C**  
Smoky nightclub situation  
**A** **C** **E**  
Your cigarette traces a ladder  
**G**  
Here's looking at you kid  
**C**  
Celebrate years  
**G**  
Here's looking at you kid  
**C**  
Wipe away tears  
**D** **A**  
Long time since we're together  
**E**  
Now I hope it's forever

Ideal love flies away now  
White jacket, black tie, wings too  
You gave her away to the hero  
Words don't express my meaning  
Notes could not spell out the score  
But finding not keeping's the lesson  
Here's looking at you kid  
Hard to forget  
Here's looking at you kid  
At least not yet  
Your memory stays  
It lingers ever

Will fade away never
