**Bb Bb/Ab Gm7 Fsus4**

**Eb Cm**  
Yesterday well it seemed so cool  
Loneliness is a crowded room  
Now I know I must walk the line

**Ab Bb**  
When I walked you home, kissed goodnight  
full of open hearts turned to stone  
until I find an o - pen door

**Ab Bb**  
I said it s love you said all right  
all together all alone  
off the street onto the floor

**Eb Cm**  
it s funny how I could never cry  
all at once my whole world had changed  
there was I many times a fool

**Ab Bb**  
until tonight and you passed by  
now I m in the dark off the wall  
I hope and pray but not too much

**Ab Bb**  
hand in hand with another guy  
let the strobe light up them all  
outof reach is out of touch

**Ab Bb**  
You re dressed to kill and guess who s  
I close my eyes and dance till dawn  
All the way is far enough

Crying.

**F Dm Bb**  
Dance away the heartache dance away the  
**C F Dm Bb**

**C Bb**
