G#m

Heaven knows it s hard enough to pray

Let me tell you something

There s a change in me

Even now you re gone you ll always be

My only love

My only love

Only love

My only love

Does it seem so funny

For a fool to cry?

Do you know the meaning of goodbye?

There s a river flowing

By a willow tree

When you need to know remember me

My only love

My only love

Only love

My only love

Let me tell you something

More than words can say

But they re all I have, no other way

There s a river flowing

By a willow tree

When you find you re there remember me

My only love

My only love

Only love

My only love

My only love

Only love

(my only love) (only love)

(my only love) (only love)

(my only love) (only love)

(my only love)
