Oh Yeah On The Radio Roxy Music

Oh Yeah (On The Radio) - Roxy Musc

```
Some expression in your eyes
      C
                 G
Overtook me by surprise
                             C
                                    G C
Where was I how was I to know?
          Dm
How can we drive to a movie show
          F
                Dm
When the song is here in my car
                F
          C
There s a band playing on the radio
                F
With a rhythm of rhyming guitars
                 F
They re playing Oh Yeah on the radio
And so came to be our song
And so on through all summer long
           C
Day and night drifting into love
              Dm.
Driving you home from a movie show
           Dm
So in tune to the sounds in my car
There s a band playing on the radio
               F
       C
With a rhythm of rhyming guitars
        C F
They re playing Oh Yeah on the radio
It s some time since we said goodbye
And now we lead our separate lives
But where am I where can I go?
           Dm
Driving alone to a movie show
                Dm
So I turn to the sounds in my car
```

There s a band playing on the radio

C F G
With a rhythm of rhyming guitars
C F G
There s a band playing on the radio

And it s drowning the sound of my tears
