We ve been around a long time
F# **B**
Tryin , just tryin , just tryin to make-a the big time

Take me on a roller-coaster, take me for an airplane ride
Take me for a six-day wonder, but dont you, dont throw my pride aside
Besides, what s real and make believe
Baby Jane s in Acapulco, we are flying down to Rio

Throw me a line I m sinking fast, clutching at straws, cant make it
A Havana sound we re tryin , a hard edged a-hipster jivin oh
Last picture show s down the drive-in
You re so sheer, you re so chic,
Teenage rebel of the week

Flavours of the mountain streamline, midnight blue casino floors
Dance the cha-cha thru till sunrise, opens up exclusive doors, oh wow
Just like flamingoes look the same
So me and you, just we two, got to search for something new

B repeats 3 times followed by 7 repeats of the famous riff
(Guitar plays B E for this)

Far beyond the pale horizon someplace near the desert strand
A-where my Studebaker takes me, that s where I ll make my stand, but wait
Can you see that Holtzer mane
