

I Am A Lonesome Fugitive

Roy Buchanan

A D E
 I d like to settle down but they won t let me
 D E
 A fugitive must be a rolling stone
 A D E
 Down every road there s always one more city
 D E A
 I m on the run, the highway is my home

A D E
 I raised a lot of cane back in my younger days
 D E A
 While Mama used to pray my crops would fail
 A D E
 I m a hunted fugitive with just two ways:
 D E A
 Outrun the law or spend my life in jail

A D E
 I d like to settle down but they won t let me
 D E
 A fugitive must be a rolling stone
 A D E
 Down every road there s always one more city
 D E A
 I m on the run, the highway is my home
