Thank God And Greyhound You're Gone

(G)I've made a small fortune and you've (C)squandered it (G)all,
You shamed me 'til I feel about (C)one inch (G)tall,
But I thought I loved you and I (C)hoped you would (G)change,
So I gritted my teeth and I (D)didn't com(G)plain,

Now you come to me with a (C)simple good(G)bye,
You tell me you're leavin', but you (C)don't tell me (G)why,
Now we're here at the station and (C)you're getting (G)on,
And all I can think of is,
(D)Thank God and Greyhound you're (G)gone,

Thank God and (C)Greyhound you're (G)gone,
I didn't know how much longer (C)I could go (G)on,
Watching you take the (C)respect out of (G)me,
Watching you make a total (C>wreck out of (G)me,
That big diesel motor is (C)playing my (G)song,
Thank God and (D)Greyhound you're (G)gone,

Oh, Thank God and (C)Greyhound you're (G)gone,
The load on my mind got lighter (C)when you got (G)on,
That shiny old bus is a (C)beautiful (G)sight,
With the black smoke rolling up a(C)round the tail(G)lights,
It may sound kinda cruel, but I've been (C)silent too (G)long,
Thank God and (D)Greyhound you're (G)gone.
