

Empty Walls A Lonely Room
Roy Orbison

F#

[Chorus]

F# **B**
I smoke too much, a-walkin the floor
C#
Cried so much I can t cry no more
F# **F#7** **B**
Nothing s left but this broken heart of mine
B **C#** **C#7** **F#**
A lonely room with empty walls and a flashing neon sign

[Verse]

F# **B**
As I lay here in my room, oh what a feeling,
C# **F#**
To know that we are apart
B
I see a picture in the stains on the ceiling
C# **F#**
In the form of a broken heart

[Chorus]

F# **B**
I smoke too much, a-walkin the floor
C#
Cried so much I can t cry no more
F# **F#7** **B**
Nothing s left but this broken heart of mine
B **C#7** **F#**
A lonely room with empty walls and a flashing neon sign

[Verse]

F# **F#7** **B**
As I listen to the sounds of the city
C# **F#**
and the smoke rings rise in the air
B
I realize that it s oh, such a pity
C# **F#**
to know that you no longer care

[Chorus]

F# **B**

I smoke too much, a-walkin the floor

C#

Cried so much I can t cry no more
