Falling
Roy Orbison

Falling

Intro:
```
     C#            Dmin7     G#         Dmin7 A7 G#7
I m falling, I m falling, falling in love with you.

C#                              Ebm
Baby, come closer, closer to me,
     G#        C#
and listen, listen carefully.
C#maj7           C#7                          F#
Remember all the nights that I told you I loved you.
     G#7                                      C#
It wasn t true, I used you, and you were just someone new

                           Fm
To thrill this lonely heart of mine.
       F#              Ebm
I was lying all the time
   G#          C#  G#7
Pretending to be falling in love with you.

        C#
But it s different now.
                                              Ebm
I ve kissed you now, so forgive me, forgive me somehow.
F#       Ebm     F#      G#7                  C#
Hold me tight for tonight, and tell me true,

             C7 C#           C7
If you still love me, say that you love me.
            Ebm   G#7                    C#    G#7
Don t leave me now, now that I m falling for you.
     C#            Dmin7    Ebm         G#7 G#
I m falling, I m falling, falling in love,
Ebm         G#7 G#      C#
falling in love with you.
```
