Here Comes That Song Again Roy Orbison

Bm DE

Here comes that song again

E7 A E A

They re playing that song again

Bm D 1

I guess it will never end (never end)

E7 A E A

They re playing it again

Here comes that song again
Here comes that old ache again
The story of my life begins
They re telling it again

A F# Bm

I ll have to leave I can t bear it anymore

E7 A Bm E7

There must be a place where they ll play a different score

Here comes that song again
The jukebox must have found a friend
My heart will never mend
They re playing it again

Instrumental verse
Here comes that song again
The jukebox... and fade
