

**I Drove All Night**  
**Roy Orbison**

[Intro] **C Bb F**

**C**  
I had to escape  
**Bb**  
The city was sticky and cruel  
**C**  
Maybe I should have called you first  
**Bb Dm**  
But I was dying to get to you  
**F**  
I was dreaming while I drove  
**Bb C**  
The long straight road ahead

Uh-huh, yeah  
**Bb**  
Could taste your sweet kisses, your arms open wide  
**C Bb F**  
This fever for you was just burning me up inside

**Am Bb F**  
I drove all night to get to you  
**Dm C**  
Is that all right?  
**Am Bb F**  
I drove all night, crept in your room  
**Dm C Bb**  
Woke you from your sleep to make love to you  
**Bb**  
Is that all right?  
**F**  
I drove all night

**C Bb**  
What in this world keeps us from falling apart?  
**C**  
No matter where I go

**Bb Dm**  
I hear the beating of our one heart  
**F Bb C**  
I think about you when the night is cold and dark  
Uh-huh, yeah

**Bb**  
No one can move me the way that you do  
**C Bb F**  
Nothing erases this feeling between me and you

**Am Bb** **F**  
I drove all night to get to you  
**Dm** **C**  
Is that all right?  
**Am Bb** **F**  
I drove all night, crept in your room  
**Dm** **C** **Bb**  
Woke you from your sleep to make love to you  
**Bb**  
Is that all right?  
**F**  
I drove all night

**Bb**  
Could taste your sweet kisses, your arms open wide  
**C** **Bb** **F**  
This fever for you was just burning me up inside

**Am Bb** **F**  
I drove all night to get to you  
**Dm** **C**
