

I Drove All Night
Roy Orbison

[Intro] **C Bb F**

I had to escape

Maybe I should have called you first
Bb Dm
But I was dying to get to you

I was dreaming while I drove
Bb C
The long straight road ahead

Uh-huh, yeah
Bb
Could taste your sweet kisses, your arms open wide
C Bb F
This fever for you was just burning me up inside

Am Bb F
I drove all night to get to you
Dm C
Is that all right?
Am Bb F
I drove all night, crept in your room
Dm C Bb
Woke you from your sleep to make love to you

What in this world keeps us from falling apart?

No matter where I go

I hear the beating of our one heart
F Bb C
I think about you when the night is cold and dark

No one can move me the way that you do

Nothing erases this feeling between me and you
