Medicine Man

**C#m**  
I ll bring you the talon from an eagle

**G#**

A big black pearl from the sea

**C#m**  
I ll bring one and twenty ponies  
**F#m** **C#m**

If you ll bring Wildflower to me

**E** **C#m** **F#m** **B**  
Medicine Man make your magic mine, turn Wildflower to a clinging vine

**E** **C#m** **F#m** **B** **C#m**  
Medicine man won t you please help me, don t leave me down in misery  
Rattle them bones, then roll them stones and make Wildflower mine

I will bring you white buffalo  
I ll bring honey from the bee  
I ll keep fire-water flowing  
If you ll get the big chief to agree

Medicine Man help me if you can, write a secret message in the sand  
Medicine man, please let her know, tell Wildflower that I love her so  
Take the breeze and shake the trees and make Wildflower mine

Now she has no use for a white man  
Helpless and worthless like me  
Tell her father Big-Strong-Hand  
To let Wildflower comfort me

Medicine man, medicine man let it be known throughout the land  
Medicine man, medicine man I have to have the hand of Wildflower  
Take this piece of calico, make a dress with a pretty bow  
Tie it with a thread of lace, take it to your secret place  
Go into your sacred dance, say a prayer for our romance

**A** **B** **E** **C#m** **F#m** **C#m**

And make Wildflower mine
